### To whom it may concern.

It is our pleasure to provide this letter of support for our partners at VR Engineering.

Throughout the entire period of cooperation, VR ENGINEERING – both the company's management and staff – have established themselves as a responsive, reliable and conscientious partner with an international team of professional managers, engineers and technical specialists of various profiles who fulfill their obligations promptly and timely. VR ENGINEERING is a team of dedicated individuals oriented towards continuous development and growth of their business opportunities.

ALLRUS who is the authorized and exclusive distributor for CIRCOR (subsequent owner of COLFAX Fluid Handling Division), has cooperated with VR ENGINEERING on several projects and it is worth noting that the work on each of the projects was featured by precise coordination, strong attention to detail and professionalism in solving complex project tasks.

We are grateful to VR ENGINEERING for the successful joint work and express our interest in further productive cooperation.
