To Whom It May Concern

Hereby we confirm that LEWA-Nikkiso America, Inc. has long term experience of cooperation with VR ENGINEERING in construction projects for the petrochemical industry. Over the course of our cooperation VR ENGINEERING has established itself as a professional and reliable partner.

The work of VR ENGINEERING features high efficiency and organization of the personnel and their responsiveness and willingness to address any issues arising during implementation of a project.

We express our gratitude to VR ENGINEERING company management and give our best recommendations in their new business endeavors.

Sincerely;

**LEWA-Nikkiso America, Inc.**
